ABOUT ME

I am a passionate graphic designer with over two years of experience, specializing in Adobe Illustrator and Photoshop. My creativity and problem-solving skills enable me to transform complex ideas into visually captivating designs. One of my work projects was an NFT collection named *Aliens*, featuring 10 unique, custom-designed alien figures that reflected my ability to turn imaginative concepts into compelling visuals.

I also specialize in webpage design and have created a variety of different web pages. Dedicated to pushing creative boundaries, I thrive on collaborating with clients to bring their visions to life and aim to develop my signature style as I establish myself as a leading figure in the graphic design world.
